ENGLISH EPISCOPAL CHURCH.

St Thomas's, Rutland Place W. Lancelot Holland, M.A...... Samuel Agnew, 9 Rutland Street.

Of course you know

That the great question of every age is-

"What shall we Drink?"

Now, there are drinks and drinks. Some there are which by continued use injure the nervous system. Tea has this effect. Others create, after swallowing, a heavy, irritating sensation, which is the sure precursor of dyspepsia and other distressing symptoms. Coffee Essences loaded with treacle, burnt sugar, liquorice, &c., &c., belong to this class.

There is nothing that has done so much in recent years to injure the popular taste

for good Coffee as the multitude of spurious mixtures sold under the name of

COFFEE ESSENCE

and other similarly misleading titles.

Chicory is a most useful addition to Coffee when the proportion is judicious. It is acknowledged universally to improve the drinking qualities of the beverage, giving it a body and liquor in the cup that is not possessed by Coffee itself. But, unfortunately, this very fact is taken advantage of by over-zealous people, especially when fine qualities of Coffee are dear, to increase the proportion of Chicory to an unwarranted extent. The result is a nauseous compound which has neither the exhilarating and soothing properties of Coffee, nor the soft, pleasing, and palatable taste of Chicory.

T. & H. SMITH'S

ESSENCE OF

COFFEE WITH CHICORY

Meets the want of the Million.

It is the original article as introduced in 1865—long before any of our imitators had existence. It is still the favourite. No one who has once dis-

covered a good Essence like ours can be induced to waste money over worthless substitutes.

We caution the public not to be misled by mere labels. Make an unbiassed trial of ours against any other, or compare it with Coffee boiled in the ordinary way. That is all we want.

OUR ADVERTISEMENT IS INSIDE THE BOTTLE.
